

Town of Brentwood, NH

Residential Recycling and Solid Waste Services Guide

This Service Guide contains important dates and collection information, please read and keep this information.

Curbside Collection of Trash & Recyclables

Brentwood's curbside collection of trash occurs weekly on Tuesdays and Wednesdays, while single stream recycling is collected every other week on the same days. Residents are permitted up to eight (8) 30-gallon bags or curbside per week. A calendar highlighting the recycling schedule and any holidays that may impact collection can be found on the next page.

Please be sure to have your material curbside **by 6:30 am on your collection day**. If you believe your pickup was missed, please call the Town's contractor, Pinard Waste Systems, at **1-800-675-7933**. Pinard will ask questions such as the style of your home, color, location of barrels, etc. to make sure your home is easily identifiable. Additionally, Pinard monitors its trucks' locations and can determine the time at which the driver was at a specific street. They track what they call a "late put-outs," missed pickups, customer complaints, etc. and report those statistics to the Town monthly. This keeps the vendor accountable. If there are chronic issues, the Town will step in and take action as appropriate.

Pinard has also implemented a "Notice of Uncollected Item." If you put an item out for collection and it is left behind, Pinard will leave you a notice informing you of the reason for its non-collection. This may include reasons such as the item is considered hazardous waste or requires a disposal sticker.

Bulky Items

Residents will be allowed to dispose of **ONE BULKY ITEM PER WEEK curbside**. A \$5.00 bulky goods sticker, which can be obtained at the Town Selectmen's Office, will need to be placed on the item. Bulky items will **NO LONGER BE ACCEPTED** at the Highway Department Shed.

Below is a list of bulky items that are now **ACCEPTED** curbside (sticker required):

Furniture	Chairs
Mattresses	Couches
Tables	

If your needs exceed this limit, you may contact Pinard Waste Systems directly for other accommodations and pricing. (800) 675-7933

Items Prohibited from Curbside Collection

The curbside collection program is for the collection and disposal of regularly-generated household trash. The following items will not be collected as part of this program. You can find details on how to dispose of any such items, and any associated costs (if applicable), on the following pages.

White Goods such as refrigerators, washing machines, hot water heaters, dryers, and appliances

Industrial, commercial, construction, and demolition debris

Yard waste such as stumps, leaves, brush, branches, and wood

Hazardous Materials such as paints, solvents, thinners, pesticides, weed killers, poisons, dry cell batteries

Recycling in Brentwood

The Town of Brentwood collects single stream recycling at the curb every other week on the same day as your trash. It is important for residents to recycle as much material as possible, because if the amount of material that goes to the land fill is reduced, tax dollars are saved, and we will have a more environmentally responsible Town.

Our Single Stream Program makes recycling at home easier than ever! All recyclable material - office paper, plastics, tin cans, newspapers, cardboard - all go in the same bin. Residents may purchase 14-gallon recycling bins at the Town Offices for \$8.00 per bin. You may also use any rigid container, such as a laundry basket, for curbside collection, provided it is clearly marked as "recycling." **There is NO LIMIT to the number of recycling containers you can place at the curb each week!**

What can go in the bin?

PAPER

Newspaper / Magazines
Paperback books
Egg cartons
Cup travel trays
Mixed and/or shredded office paper
Junk mail (plastic window okay)
Corrugated cardboard
Boxboard/Paperboard
(i.e. cereal boxes, free of plastic & wax lining)

PREPARATION:

Shredded paper must be confined in a paper bag.

Cardboard must be clean and bundled no larger than 2' x 2' x 2'.

NON-PAPER

All plastic containers #1-#7 (i.e. beverage containers, tubs, laundry detergent containers, etc.)

Glass containers used for foods and beverages ONLY (any color)

Aluminum, tin, and steel cans

Metal lids to jars or bottles

Aluminum foil, disposable pie tins, & aluminum baking trays

PREPARATION:

All recyclables should be rinsed free of residue. Labels may remain.
Glass should be unbroken.

PLEASE NO:

plastic bags
garbage
yard waste
ceramics or
dishes

motor oil containers
Styrofoam of any kind
(i.e.: packing material,
coffee cups, meat trays)

hazardous waste
light bulbs
plate glass

Disposal at the Brentwood Highway Shed

207 Middle Road • (603) 775-7654

The Town of Brentwood has obtained permits for a transfer station at the Highway Shed. However, the operator licenses obtained limit the materials that may be accepted at this location. This site is available to all residents, so please be considerate and only dispose of accepted items. Acceptable items are limited. **If it is not included on this list, then it is strictly PROHIBITED.** Please do not leave items by the dumpsters or in front of the gate.

Disposal stickers are required for all items. Stickers are available at the Selectmen's Office, and will need to be obtained prior to disposal. Disposal stickers will NOT be available at the Highway Shed.

Construction & Demolition Material

Limited C&D may be disposed of on the **FIRST Saturday of every month from 9am to 12pm.**

Residents will be allowed to dispose of limited construction and demolition material at the Highway Shed. One single item may be disposed of by obtaining a \$10.00 C&D sticker.

Disposal Fees for Truck Loads of C&D:

6' bed level \$60.00

8' bed level \$90.00

Utility trailers up to 7' x 12' (1 ton capacity) \$120

If a vehicle is less than full, it is considered level.

Larger loads are not accepted.

Limited C & D Items Accepted at the Highway Shed:

Porcelain Fixtures • Tile • Carpeting • Plastic/Vinyl

Scrap Metal & Brush

Hours for disposing of scrap metal and brush will be **Tuesdays and Thursdays from 3pm to 6pm, and the FIRST Saturday of every month from 9am to 12pm.**

Scrap metal will be taken at no charge:

Plumbing Fixtures

Washing Machines

Clothes Dryers

Dishwashers

Electric Motors

Lawnmowers (with gas
and oil drained)

Motors (with gas and oil
drained)

Brush will be accepted at no charge for residents. A resident who has hired a commercial company to remove brush from their residence and is unable to transport the material on their own may have the commercial entity transport the material on their behalf. A letter must be presented to the Highway Road Agent or his designee stating that the material is from a Brentwood resident and signed by the property owner. A fee of \$25.00 per pickup truck (up to one ton) for commercial entities disposing on a resident's behalf will be charged. Anything larger than a one ton pickup truck will be charged \$50.00. A disposal sticker will be required.

Brush can be no larger than 5" in diameter and cannot be mixed with building material.

Please keep in mind that our department's ability to burn or

chip the brush is limited so quantities accepted will be restricted.

able free of charge to residents. Residents are responsible for loading and transporting the material.
